HISWA Association has, on her request, received a mandate from the Ministry of Infrastructure and Environment to ascribe the three-letter Manufacturers Identification Code of Dutch manufacturers and 3<sup>rd</sup> country (non EU) manufacturers, based on the Recreational Craft Directive 2013/53/EU. The costs for this administration and registration, as published in the Official Journal (Staatscourant) are kept as low as possible. An invoice of € 50,-, excluding VAT, will be sent separately. After your payment, your Manufacturers Identification Code is definitive.
